DESCRIPCION/DESCRIPTION

Evitan que las superficies antiadherentes de sartenes y ollas se deterioren pudiendo guardarlas cómodamente. Dejar enfriar las superficies antes de su uso. Se pueden lavar fácilmente. / Impidem que as superficies antiaderentes das panelas e potes se deteriorem e possam armazená-las confortavelmente. Deixe as superfícies arrefecer antes de usar. Eles são facilmente lavados.

They prevent the non-stick surfaces of pans and pots from deteriorating and can be stored comfortably. Allow surfaces to cool before use. They can be easily washed. / It prevents the anti-stick surfaces of panels and pots from deteriorating and making them comfortable. Make sure the surfaces are repainted before using. They are easily washed.
